

Senior Tax Specialist

A top international private bank based in Geneva.

Role & Responsibilities:

- Responsible for the proactive management and resolution of all tax issues arising within the Private Banking business.
- Support the front office in the implementation of group tax policies and projects as well as new tax regulations
- Develop the service offering of tax-related products to Private Bank clients, such as client tax statements and tax suitability of investments.
- Actively manage the tax reputational risk
- Engage business and functional stakeholders within Switzerland in tax matters, reconciling the competing imperatives of management of tax risk with commercial and regulatory drivers of the business
- Provide expertise on all tax related topics relevant to the bank, including corporate taxes, operational taxes (QI, FATCA, Stamp Duties,...) and exchange of tax information (CRS, exchange of tax rulings..)

Profile:

- Qualified tax professional (Chartered Accountant, Tax Expert, Master degrees in Law or equivalent)
- 10+ years of proven corporate (Swiss and international) and operational tax knowledge and experience
- In house tax experience, preferably gained in another Financial Services institution (alternatively, in-house tax experience and FS Tax experience gained in a Big Four Firm)
- High standing in the tax profession and ability to get involved in professional and industry bodies
- Fluency in spoken and written English and French - good knowledge of German helpful
